Help Yourself

Andy Fite

Slowly and freely

Help your - self Take what you need Just make your

mind up And don't be shy You have a right at least to try, you know And if it

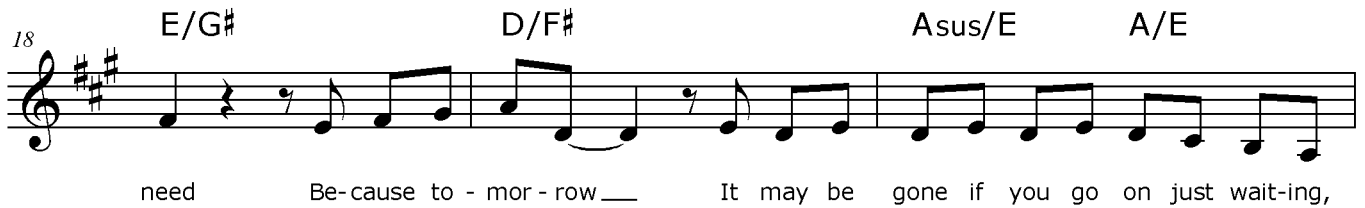

does-n't go so well, just try a - gain And a-gain if need be ____ There is

no one else on earth who'll do it for you There is no one else on earth who's sure to

care And there is no one else on earth who un - der - stands ev' - ry-thing And

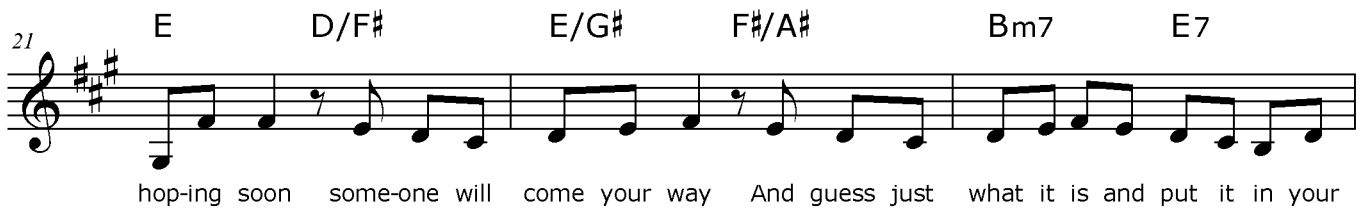

no one who is du - ty bound to share Help your - self Take what you
