It was just an or-din-ar-y night at the end of an or-din-ar-y day, and I
nev-er sus-pect-ed that an-y-one might do a thing in the world but to keep it that way. I
want-ed some-one new, but no one's want-ed to in such a long, long, long, long
time. I might have known that just such an or-din-ar-y night is the
time when it prob'-ly will be - gin. Or in an-y e-vent, it was sure-ly that way when you
caught my at-ten-tion and moved right in, and just this once I did-n't fuck it up some-
how! And now I see that or-din-ar-y night was no or-din-ar-y night for me my love,
you know it's true, it was the night when I found life, and love, in you.
