

I Have Some Control Over Daydreams

Andy Fite

Slowly

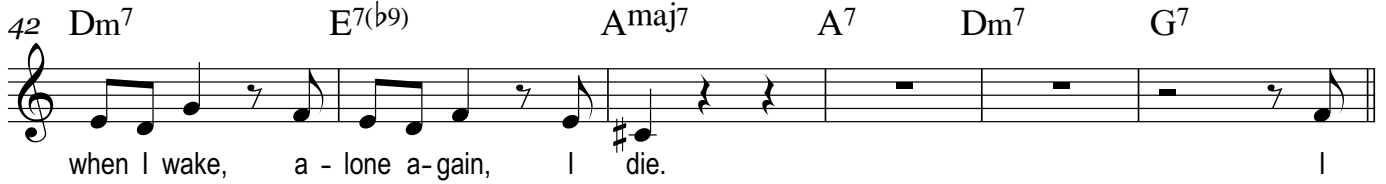

I have some con - trol ov - er day dreams. I
don't need to stick to just one. I can
close my eyes and fan - ta - size a world of sweet ad - ven - ture, and I
do, pret - ty much the whole day through. I
have some con - trol ov - er day dreams. They
do what I tell 'em to do. When I
close my eyes and the fev - er ris - es up I know I'm real - ly fine, no
mat - ter if my mind is blown. And
then at night, I think of bed, and go to bed, and read a while, and

try to sleep, but if I sleep, it's you I meet, and it is so nice that

when I wake, a-lone a-gain, I die.

48 **C** **G/B** **Am** **C/G**

have some con-trol ov-er day dreams, but

52 **F⁶** **C** **D⁷** **G⁷**

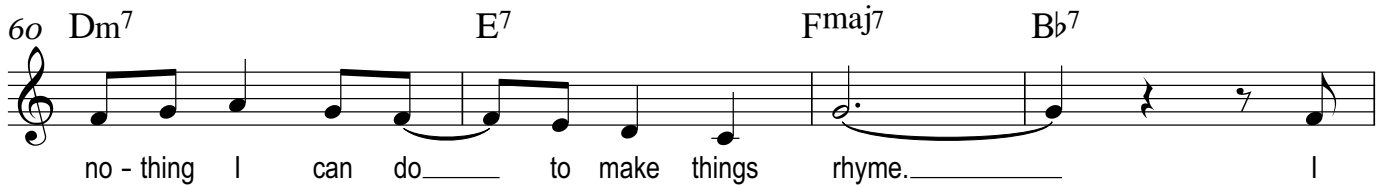

what are they worth in the end? When I

56 **Gm⁷** **C⁷** **Gm⁷** **A⁷**

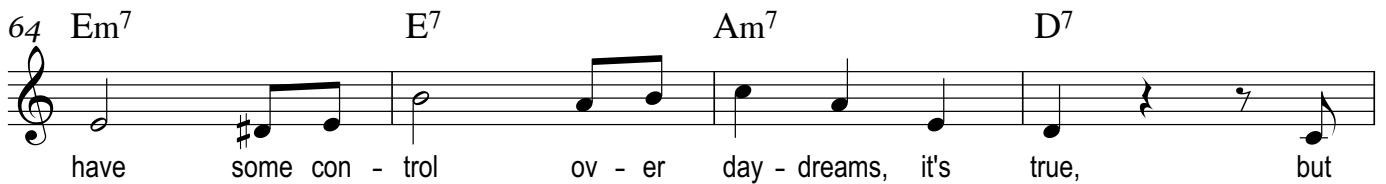

close my eyes and you ap-pear, I re-a-lize, if you're not here, there's

60 **Dm⁷** **E⁷** **Fmaj⁷** **B^b7**

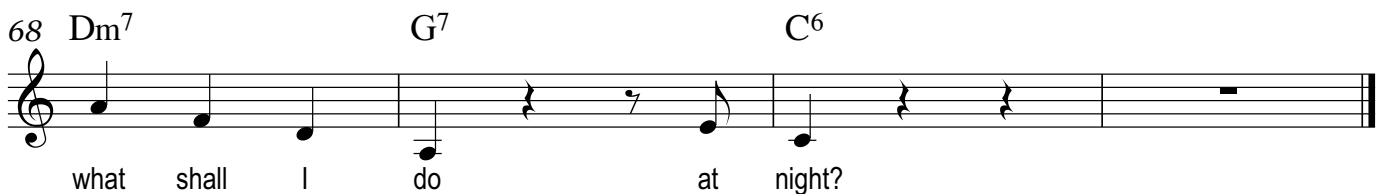

no-thing I can do to make things rhyme.

64 **Em⁷** **E⁷** **Am⁷** **D⁷**

have some con-trol ov-er day-dreams, it's true, but

68 **Dm⁷** **G⁷** **C⁶**

what shall I do at night?
