I like it when I'm right. It's nice to know I know the score. It is so

5     $E\flat$ /G                      F $\sharp$ <sup>o</sup>                      Gm    Gm7                      C7

com-fort-ing, in a way, to have the world and its peo-ple fig-ured. Not to be

9    Cm7                      F7                      B $\flat$ 7                       $E\flat$ 6

fooled too eas - y and if I am, to know it soon. I'm

13    Gmaj7                      Em7                      Fm7                      B $\flat$ 7

smart and ex - per - i-enced and wise. And I was

17    Em7(b5)                       $E\flat$ m6                      B $\flat$ /D                      Gm7

right from the first day we met: you'd break my

21    Cm7                      F7                      B $\flat$ maj7

heart. I like it when I'm right.
